Athletic Director: N/A

New Business: Lori asked if we should look at purchasing tables for Emily or if this is a school responsibility. Lori will discuss with Dan to see if the district can pay for these tables or if they would be willing to split the cost with us.

Deb Campos suggested we purchase signage for the Events Entrance to indicate where the games are located.

Janine Michalak made a suggestion that the stadium chairs could be rented out for use.

Lori shared information regarding the soccer shelters. She believes they have been sent back to have them fixed. We will check with Dan to get an update.

Lori asked if we want certain food for the Turkey Tournament, and she asked about Subway, but other members suggested we do Jimmie Johns, or other areas. Members asked if we could let the other teams know that we will have concessions stands available. It was also suggested to have soda available for everything.
